L'ANTIDOTE

SOPHISTICATED REBELLION

BRACELET SIZE GUIDE

- Make sure this document is set to 100 % scale and print the guide on A4 paper.
- To check the correct proportions after printing, place your payment card on the line below.
- The length of your payment card must match the length of the line.

Place your payment card here

1 inch

30 mm

Now measure your bracelet size:

- Cut out the measuring strip on the right.
- Wrap it around your wrist and read the bracelet length in cm.
- For the most comfortable fit, we recommend measuring the widest part of your wrist, usually over the wrist bone.
